SUMMARY

Motivated and enthusiastic full-stack developer seeking internship or job opportunities to kick-start a career in the field. Proficient in HTML, CSS, JavaScript, React, and Git, I possess a strong foundation in front-end and back-end development. With a dedication to learning and keeping up with the latest technologies, I am eager to apply my skills and contribute to the success of a dynamic development team. As a self-driven individual with a passion for problem-solving, I am excited to gain hands-on experience and grow as a professional in a collaborative work environment.
